

General Policies and Procedures Transition Addendum - CPS-001.A1

Effective 01/01/2024
Cancellation Date 03/01/2024

1. Purpose

- 1.1. This addendum serves to outline additional temporary procedures for transitioning from CPS-001 1.20 (Dated 10/06/2022) and CPS-002 1.1 (Dated 09/01/2023) to CPS-001 2.0 (Effective 01/01/2024) and CPS-002 2.0 (Effective 01/01/2024).

2. Certification Conversion

- 2.1. All of the provisions in this section are pertinent to the roster state on January 1, 2024 at 0000 UTC.
- 2.2. Where applicable, the current certification status of a controller will be determined based on the web roster displayed on the Oakland ARTCC website.
- 2.3. Existing San Francisco ATCT Major Certification
 - 2.3.1. This endorsement is being directly transitioned to the San Francisco ATCT Tier I endorsement.
 - 2.3.2. Previous holders of the San Francisco CD/GC Certification will now hold the San Francisco CD/GC Tier I endorsement.
 - 2.3.3. Previous holders of the San Francisco LC Certification will now hold the San Francisco LC Tier I endorsement.
 - 2.3.4. All San Francisco ATCT self-monitored Training authorizations will expire on December 31, 2023 at 2359 UTC.
- 2.4. Existing NorCal TRACON Major Certifications
 - 2.4.1. Previous holders of the NCT Area A and/or Area C Certification will now hold the Bay Area Tier II TRACON endorsement.
 - 2.4.2. Previous holders of the NCT Area B Certification will now hold the NCT Area B Tier I endorsement.
 - 2.4.3. Previous holders of the NCT Area D Certification will now hold the NCT Area D Tier I endorsement.
 - 2.4.4. All NorCal TRACON self-monitored Training authorization will expire on December 31, 2023 at 2359 UTC.
- 2.5. Existing Oakland Oceanic Certifications
 - 2.5.1. Previous holders of the Oakland Oceanic Certification will now hold the Oakland Oceanic Tier II endorsement.
- 2.6. New Oakland Enroute Tier II endorsement
 - 2.6.1. All controllers rated C1 or above and having previously completed the requirements to control Oakland Center positions will now hold the Oakland Enroute Tier II endorsement.
- 2.7. New Military Tier II endorsement
 - 2.7.1. Previous holders of all NCT Area Certifications will automatically gain the Military Tier II endorsement.

- 2.7.2. All controllers rated C1 or above and having previously completed the requirements to control Oakland Center positions will automatically gain the Military Tier II endorsement.

2.8. New Mountainous Terrain Tier II endorsement

- 2.8.1. Previous holders of any NCT Area Certification will automatically gain the Mountainous Terrain Tier II endorsement.
- 2.8.2. Previous holders of the San Francisco LC Certification will automatically gain the Mountainous Terrain Tier II Local Control endorsement.
- 2.8.3. All controllers rated S3 or above, and having completed at least one in-person lesson on any NCT position on or after January 1st, 2020 will automatically gain the Mountainous Terrain Tier II endorsement.

2.9. New Bay Area Tier II Local Control endorsement

- 2.9.1. Previous holders of the San Francisco LC Certification will automatically gain the Bay Area Tier II Local Control endorsement.
- 2.9.2. All controllers rated S2 or above, and having completed at least one in-person lesson on Oakland Tower or San Francisco Tower on or after January 1st, 2020 will automatically gain the Bay Area Tier II Local Control endorsement.
- 2.9.3. S1 rated controllers with an active self-monitored training authorization for Oakland Tower will have that converted to a solo endorsement covering Oakland Tower and the Bay Area Tier II Local Control endorsement.
